

BOOK NOW for the next
collections MOSAIC workshop in Adelaide, SA
Tues 12th, Wed 13th & Thurs 14th & Fri 15th June 2018

Come and experience how the new features in MOSAIC 11 can help you...
Whether you are new to using MOSAIC or you have been using MOSAIC for some time,
these sessions have been designed with you, the user in mind.

How can MOSAIC help your organisation?
Are you aware of the capabilities of MOSAIC?

Pick a session or sessions suited to your requirements and come along to find out how to
improve your use and knowledge of MOSAIC

We ask that you have basic computer skills in a Microsoft Windows environment to attend
these workshops.

**Introducing the Advanced Collections Management & Troubleshooting Day where
we will cover, not only the Loans, Audits, Data Restrictions but also your queries
such as removing duplicate Sources, removing empty image links to name but a
few. Bring along your queries to share with others—yours will help them and theirs
will help you!**
