

Upload selected records to the cloud for accessibility anytime, anywhere for sharing amongst your community or the wider public.

Choose what data is exposed and who has access to it.

Personalise your MOSAic Online presence without having to administer a complete web site.

Home Page

- Personalise your identity
- Setup a rolling display of significant images
- Instantly see statistics of records available
- Search the entire collection from here
- Visitors can leave comments for you
- Choose a folder to browse
- Images auto-zoom as you point

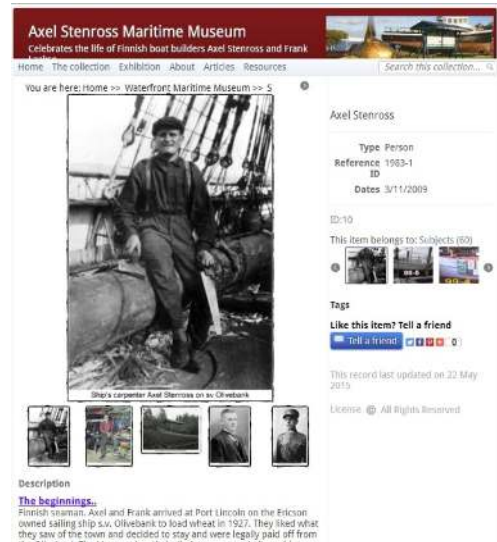

The Collection
